## The CartoonLink® Members Program

*“Your postcards outperformed everything else we’ve ever done on television, radio, print -- or direct mail. Bravo!”*

- Paul Shomer  
Standard Parking

Are you a fan of the effect of cartoons, but not quite ready to join one of our marketing programs? That’s what the CartoonLink Members Program is for. Membership includes a monthly newsletter, webinar and unlimited use of our cartoons in your one-at-a-time e-mail correspondence.

It’s a way to keep in touch and keep up to date with this rapidly expanding story, and a way to find the best possible uses of cartoons in your own projects. And it’s a way to put our cartoons to use in your life right now, with entertaining e-mails to friends and colleagues, even sales prospects that will make you truly stand out.

It’s also a way for you to get comfortable with our system and find ways to put our various programs to work in your campaigns, projects and more.

Buy it now

**Drawing Attention** by Stu Heinecke  
Now available on [iBooks](#), [Kindle](#), [Nook](#),  
[Sony Reader](#), [GoogleBooks](#) and [PDF](#)

**The Product:** We’ve set up a special CartoonLink e-card center to allow members to send personalized cartoons as one-at-a-time regular e-mail correspondence, complete with your branding. Members can also participate in a monthly webinar with CartoonLink founder Stu Heinecke, and receive our monthly newsletter to teach you about the use of cartoons in all sorts of missions, to keep you on top of latest developments and meet some of our cartoonists.

**Membership:** Membership in the CartoonLink Members Program is simple. It’s a monthly charge of \$25 on your credit card, with no minimum term.

**Alternatives:** The CartoonLink Members program is for people who want to use our system, but aren’t quite ready to join one of our active marketing programs. If you are ready to start boosting your results, join any of our programs. The [Postcard](#) and [e-Mail](#) programs get you out to a broad audience, the [BigBoards](#) programs get you into your top prospects offices. Buy Stu’s [book](#) to learn more about how to use these programs.
